

LUNCH AND LEARN

Lunch and Learn: Student Networking Session & Panel Discussion

Jonathan Essoka, Superfund & Technology Liaison, Region 3 | *U.S. Environmental Protection Agency*

Bray Fisher, Federal On-scene Coordinator, Region 6 | *U.S. Environmental Protection Agency*

Joi Chu-Ketterer, Oak Ridge Institute for Science and Education (ORISE) Fellow | *U.S. Environmental Protection Agency*

Marissa Lynch, Environmental Engineer | *U.S. Environmental Protection Agency*

Moderator: Anna Boegehold, ORAU Participant | *U.S. Environmental Protection Agency*

This session has been specifically designed for student attendees to network as part of a virtual panel discussion with EPA researchers and emergency responders. Student attendees were able to learn about the panelists' backgrounds, current work, and how best to prepare for their own career path.
