

**UNITED STATES ENVIRONMENTAL PROTECTION AGENCY  
REGION 1**

**Date of Notice: 2/12/24**

**Public Notice Number: PN2024-000007**

**Comment Period: 2/12/24 to 3/11/24**

**Action:** Notice of Proposed Assessment of Class I Clean Water Act Sections 309(g)(2)(A) and 311(b)(6)(B)(i) Administrative Penalties and Opportunity to Comment

Under Sections 309(g) and 311(b)(6) of the Clean Water Act, 33 U.S.C. §§ 1319(g), 1321(b)(6), EPA is authorized to assess civil penalties after providing the person subject to the penalties notice of the proposed penalties and the opportunity for a hearing, and after providing interested persons public notice of the proposed penalty and a reasonable opportunity to comment on its issuance. In Class I proceedings under Section 309(g)(2)(A), any person who violates certain provisions of the Clean Water Act may be administratively assessed a civil penalty of up to \$26,685 per day per violation for each day during which the violation continued, up to a maximum penalty of \$66,712. In Class I proceedings under Section 311(b)(6)(B)(i), any person who violates certain provision of the Clean Water Act may be administratively assessed a civil penalty of up to \$23,048 per day per violation for each day during with the violation continued, up to a maximum penalty of \$57,617. Proceedings are conducted in accordance with the “Consolidated Rules Governing the Administrative Assessment of Civil Penalties and the Revocation or Suspension of Permits,” at 40 C.F.R. Part 22 (“Part 22”).

The procedures by which the public may submit written comments on a proposed penalty order or participate in a penalty proceeding are set forth in Part 22. The deadline for submitting public comment on a proposed penalty order is 30 days after issuance of public notice.

Pursuant to Sections 309(g) and 311(b)(6), EPA is providing public notice of the following proposed administrative penalty assessment:
