

## REGION 6

DALLAS, TX 75270

September 17, 2024

### **Vado and Berino, New Mexico Communities:**

The Environmental Protection Agency (EPA) wants to engage with you! Are you curious about the NPDES Permitting process for wastewater discharges from the Dona Ana County utilities – NPDES Permit No. NM0030490? Do you want to learn more about efforts underway to protect water quality and the status of the re-issuance of this NPDES Permit? Please join us virtually for an early engagement meeting on September 25, 2024, from 5:30–6:30 p.m. Mountain Time. We want to hear from you.

**Host:** U.S. Environmental Protection Agency (EPA) – Region 6 NPDES Permitting and Wetlands Section.

**Background:** This event will feature discussions and public input on the re-issuance of the Dona ana County utilities Wastewater permit. The community discussion and Q&A will follow a short presentation by the EPA.

**When:** Wednesday, September 25, 2024, 5:30–6:30 p.m. Mountain Time

**Format:** Zoom - Virtual Meeting (virtual meeting will open 15 minutes early to allow time for participants to log in via Zoom). A Zoom link for the virtual meeting will be sent to all that register.

### **Registration deadline September 24, 2024**
